REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Whitmire Community School is a PreK-12 facility located in northern Newberry County in the midst of the Sumter National Forest. WCS is accredited by the Southern Association of Colleges and Schools, a South Carolina Reading First School, and an SREB/SDE High Schools That Work site. The Palmetto Gold & Silver Awards Program recognized the elementary school (2006-2007) and the high school (2005-2007).

This is an exciting time for the school and community, as an \$8.7 million building project is in the final stages of completion. The plan includes a new PK-12 Media Center, high school classrooms, 6-12 art room, band room, and gymnasium. Presently, a number of middle/high school classrooms are housed in portables and physical education classes have to be transported across town to the old gymnasium.

Our classroom instruction is based on South Carolina curriculum standards, with our focal point being reading and writing instruction. Reading and writing instruction is integrated across all content areas, and the responsibility is equally shared by all of our teachers, students, parents, and the community. Teachers across all content areas recognize "Writers of the Month" each quarter at success assemblies. Family message journals, the Wee Deliver Postal System, author visits, and Read Across America Week provide authentic writing and reading opportunities throughout our school and community.

We continued a Measures of Academic Progress assessment program for grades 2 through 10 to measure student growth in Reading, Language Usage, Mathematics, and Science to identify each student's strengths and weaknesses. Our Data Analysis Study Group will examine MAP results along with student performance on PACT, HSAP, Odyssey, A+ software, Dominie, and classroom assessment to establish goals and objectives for ongoing school improvement. A daily enrichment/remediation period was scheduled for grades 3-8.

We continue to work toward our mission of providing a safe, nurturing environment and collaborating with families and the community to prepare all of our students for success.
